FABRIQUE

FV.P FABRIQUE

Catch-Me!, 15 years later

picks up the broad strokes of the original Catch Me synopsis, revisiting the story of six friends reuniting after 10 years apart.

Summer is coming to an end, and as they reunite at the cottage, they rediscover their little corner of paradise and rekindle their bond. The urge to play and put on a show returns, along with the energy of childhood, amid teasing and laughter.

By the end of the weekend, their paths will part again, but this unforgettable reunion stays etched in their hearts.
